The Office of University–Community Partnerships (OUCP) is currently accepting applications for the position of Workshop Facilitator for an afterschool College/Career Planning Workshop for 10th grade students at Abraham Clark High School (ACHS) in Roselle, N. J. The workshop is part of a college readiness partnership initiative between OUCP, the Borough of Roselle and ACHS. Weekly sessions will be held on Tuesdays and Thursdays for eight weeks from March through May, 3:45–5:15 pm. Transportation to/from the site is provided, if needed.

The Workshop Facilitator is responsible for delivering the Student Development Workshop curriculum designed to actively engage 10th grade students in a process that facilitates the development of those skills, attitudes and behaviors that are conducive to individual achievement, personal success and college readiness. The Facilitator also supervises two student assistants.

Interested candidates should be enrolled in a graduate level program and have experience working with high school youth. Background in counseling, social work or group dynamics is highly desirable.

Interested candidates should submit their resumes and/or direct inquiries to:
