

# LET'S BRIDGE COMMUNITIES IN NEWARK

We're looking for volunteers who want to see Newark grow as a diverse and dynamic community!

Teams of volunteers will gear up and stroll through the vibrant downtown district to promote the arts and cultural offerings of Newark. Together, we share smiles, random acts of kindness, and information with those who live, play and work in Newark.

Through this program, volunteers will promote events and activities that bring people together, and help build a safe, inclusive, and informed community.
