RU Ready for Work delivers work/career readiness empowerment tools to Newark public high school students, helping them to unlock potential, cultivate talents, act on dreams, and build meaningful futures. It’s life-changing work. Since 2011, 100% of RUR participants graduated high school and since 2013, 100% of participants earned post-secondary placements, with the most enrolling in 2 and 4-year colleges or universities, significantly exceeding both state and local averages. Now is the time to—

THINK BIGGER.

On Rutgers Giving Day, Wednesday, March 21, hundreds of thousands of alumni, donors, friends, community members, students, faculty, and staff make a powerful impact on a single day. Your gift in any amount—$10, $25, $50, $100 or more—helps RU Ready for Work continue to provide future generations with innovative instruction and programs, counseling, and experiential learning opportunities that propel them to greater heights. Imagine that we can do if we think bigger!

On Wednesday, March 21:

1. Visit givingday.rutgers.edu
2. Select Other
3. Write in RU Ready for Work
